

Simplify HR and Payroll at Your Financial Institution

Achieve a Better Workforce Experience and Lighten Your Workload with Highflyer

Highflyer HR allows you to eliminate the time-consuming tasks that challenge banks and credit unions. Our unified solution includes features that simplify taxation, allow you to export the general ledger, and manage employee data, salary information, and benefits enrollment from one system.

You can minimize the time spent, while improving accuracy with Highflyer HR. Our cloud-based solution offers payroll, time tracking, onboarding, and ACA compliance all in one technology. Say goodbye to tedious manual processes and complicated, disparate tools that require importing and exporting and duplicate data entry.

Benefits with Highflyer:

- More time to focus on the needs of the bank
- Less worry about legal compliance
- Higher level of employee engagement and teamwork
- View labor data in real time and make informed business decisions
- Reduce errors and improve efficiencies

Highflyer Features:

- Workflows/Electronic Onboarding
- Multi EIN cross-company reporting
- Unlimited department levels for labor and general ledger
- General Ledger export
- Automated ACA tracking for all employee types
- One database for employee records, certifications, expertise
- Electronic open enrollment, carrier feeds, and COBRA integration

Contact us today for more information on how Highflyer HR can transform the way you manage the administrative tasks and communication to your bank.
