

Transform the Way You Manage Your Home Health Care Workforce Highflyer HR Keeps Up with Your On-The-Go Home Health Care Representatives

Operating a home health care business is complex and managing the labor is one of the chief reasons why. But with Highflyer HR, you can eliminate time-consuming tasks. Our unified solution includes features that simplify remote employee tracking while allowing you to manage salary information, employee data, and benefits enrollment from one system.

You can minimize the time spent on these tasks, while improving accuracy, with Highflyer HR. Our cloud-based solution offers payroll, time tracking, onboarding, and ACA compliance all in one technology. Say goodbye to tedious manual processes and complicated, disparate tools that require importing and exporting and duplicate data entry.

Benefits with Highflyer:

- More time to focus on your patients
- Less worry about governmental compliance
- Higher level of employee engagement and teamwork
- View labor data in real time and make informed business decisions
- Reduce errors, improving your bottom line

Highflyer Features:

- Payroll Based Journal including XML file
- Workflows/electronic onboarding
- iSolved GO mobile app - perfect for home health care providers who work on-the-go, easily punch in and out
- ACA Reporting
- Executive and ACA dashboards
- HR - tracking certifications/skills, emails to alert when certification is expiring
- OSHA
- Employee time and data easily imported/exported
