

Simplify Your Employee Management

Focus on Running Your Hotel; Not Calculating Payroll

Operating a hotel is complex and managing the labor is one of the chief reasons why. Tracking attendance and hours worked, managing employee schedules, and ensuring compliance with regulations are just a few of the tasks that challenge hoteliers and take many hours each week.

You can minimize the time spent on these tasks, while improving accuracy, with Highflyer HR. Our cloud-based solution offers payroll, time tracking, onboarding, and ACA compliance all in one technology. Say goodbye to tedious manual processes and complicated, disparate tools that require importing and exporting and duplicate data entry.

Benefits with Highflyer:

- More time to focus on your business and customer's experience
