

Highflyer

Keep the Assembly Line Moving Without Worrying About Time Tracking or Job Costing

Focus on Manufacturing; Let Highflyer Streamline Your HR Tasks

Operating a manufacturing plant requires careful precision and staying on top of a variety of tasks. A small delay could result in a major loss in production that's hard to make up. Finding and using all available efficiencies is one key for success. For HR, payroll, time tracking, and benefits, Highflyer HR provides those needed efficiencies—and at a price point that's perfect for a small-to-midsized manufacturing plant.

Our cloud-based solution offers payroll, time tracking, onboarding, and ACA compliance all in one technology. Say goodbye to tedious manual processes and complicated, disparate tools that require importing and exporting and duplicate data entry.

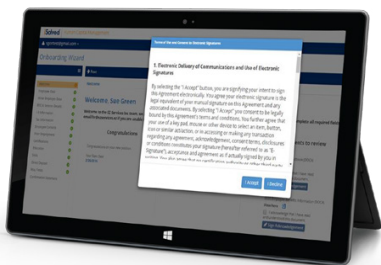

Benefits with Highflyer:

- More time to focus on your manufacturing facility
- Less worry about governmental compliance
- Higher level of employee engagement and teamwork
- View labor data in real-time and make informed business decisions
- Reduce errors, improving your bottom line
- Mitigate risk through iSolved Legal
- Available rugged time clocks with biometric, proximity, bar code, mag swipe, and key punch data collection options, connected via Ethernet/mobile communications

Highflyer Features:

- Paperless onboarding
- Job costing/transfer punching
- Unlimited jobs
- iSolved GO mobile app - employee access to schedules, pay history, time off requests, and more
- Rich compliance reporting - Executive Dashboard to control labor costs and OT, Real-time manager portal, Union reporting, Certified payroll, ACA reporting
- OSHA management and reporting
- Tracking Worker's Compensation
- Time worked: MRP/ERP data integration
